UNITED STATES GOVERNMENT

Memorandum

TO : C/SMS

DATE: 14 July 1965

FROM : DAD/S&D

SUBJECT:

Will you please define precisely what it is that we would like to have happen at [] and draft a memo to DAD/IO which asks him to indicate by some reasonable date whether or not they are able to and willing to do this job. The memo should also indicate that if they are not able to but willing to we will proceed to contract for appropriate equipment which will give them this capability. If they are neither able nor willing we will entertain the proposition of automatic equipment which will minimize the need for manning.
